

REFUND POLICY - 2021

Art In The Park & Milford Memories

IF THE SHOW HAS TO BE CANCELLED WILL I GET A REFUND?

We will refund 100% of all booth fees, corner fees, and electricity fees that are made for Art In The Park or Milford Memories 2021 in the event that either event must be cancelled due to COVID-19.

DO I NEED TO RE-APPLY?

Artists that applied to our shows in 2020 do need to still apply for the 2021 shows. Our jury will be treating 2021 as a clean slate since no funds were "rolled over" or were retained for this upcoming season. Some artists have even changed their media within the past year!

WHAT ABOUT THE JURY FEE?

The jury fee is non-refundable. These funds go toward the panel that processes, reviews & decides on which artists are accepted to exhibit in our shows.

WHAT HAPPENED LAST YEAR?

In 2020 all booth fees, corner fees, and electricity fees that were made for Art In The Park were refunded back to the artist after the event was cancelled.

At the time Milford Memories was cancelled booth fees had not been collected yet.

DO I PAY THE BOOTH FEE NOW?

When applying to our shows **online** you will only pay the Jury Fee of \$30 upfront. After the jury process has concluded & if you were accepted you will receive an email stating that your booth fees are due & further details.

If you plan to mail a **paper application** you must include your booth fee check in addition to the jury fee check. However the booth fee check will not be cashed until after the jury.
